#### MESSAGE

We are at the threshold of recovery, Government of India has already outlined steps and policy drives to bolster tourism, the onus is now on us to pursue excellence and take tourism back to its glory. SATTE is one such meaningful platform as it offers the Industry and the country an opportunity to showcase its diverse product portfolio to the buyers from across the world and land b2b meetings that caters to the much needed business of tourism. SATTE will show the world that INDIA is ready to welcome tourists with all its SOPs in place.

The unique facets of the SATTE Platform that starts with a well-appointed inaugural, exhibitors who mean business and the foreign tour operators with an appetite to promote Incredible India. The finale with the FAM fits well with onsite destination marketing and completes the picture a well-knit tourism platform that is SATTE.

The presence of NTOs and countries that lead in tourism effectively caters to cultural exchange that is so much needed as we come out of the tourism exile that the pandemic brought for us. Outbound Tourism also finds its place as Indians choose to travel the world and this segment caters to a business and employment generating profile that is much needed after a 2-year tourism drought.

Like before the stakeholders from India are charged up to meet their trade partners from 18-20 May 2022 at India Expo Mart, Greater Noida, Delhi NCR. A rendezvous to remember.

On behalf of IATO, I wish SATTE the very best and yet once again churn out one of the most successful tourism platform in India that has captivated the tourism fraternity for decades.

With Best Wishes

## MESSAGE FROM TAAI

**Jyoti Mayal**  
President TAAI

I am delighted to know that SATTE 2022 is being organized from May 18th to 20th at India Expo Centre, Greater Noida, Delhi NCR. I must say that this is indeed a great step toward the revival of Indian Tourism. I, in the capacity of the President of Travel Agents Association of India (TAAI), Vice-Chairperson of FAITH & Chairperson for Tourism & Hospitality & Skill Council (THSC) extend my best wishes for the success of the event.

TAAI congratulates Informa Markets for organizing SATTE 2022 at a time when the tourism sector has opened up after almost two years post facing multiple challenges due to the pandemic. The tourism industry is slowly and steadily coming back on track. And, henceforth, the event will act as a catalyst to instil confidence among the travel fraternity and pave the path for new business opportunities in this changed challenging environment.

We, at the Travel Agents Association of India (TAAI), have been supporting SATTE since the beginning. With every passing year, we have strengthened our relationships with SATTE & our members and it has significantly benefitted us on a mutual basis. I am personally of the opinion that SATTE offers the most appropriate platform for exhibitors and buyers to network, conduct business and strengthen their business relationships in this region of the world.

I have been advised that 1000+ exhibitors, 28 state tourism boards, 50+ countries, and 30,000 visitors are attending SATTE 2022. As international borders are open for tourism & international flights have started operating beyond air bubbles, I am sure that SATTE 2022 will be attended by scores of industry partners and visitors.

SATTE 2022 will surely continue to showcase the diversity of Indian tourism products to the global travel and tourism market.

I wish the entire team of SATTE 2022 a grand success.

**FOREWORD NOTE**

29<sup>th</sup> Edition of SATTE 2022 happening in India Expo Mart, Greater Noida from 18-20 May (originally slated in February this year) in physical form is a high voltage event since the pandemic hit the industry badly and is now much awaited Travel & Tourism Event for all stake holders specially for Inbound and Outbound Tourism. With the commencement of international flights by the end of March the footfall both in terms of exhibitors/buyers in the Exposition is expected to be remarkable in comparison to the last years which benefited domestic tourism growth that was active then.

We look forward to a greater number of domestic and international exhibitors/buyers participation this year. SATTE'S efforts in conducting an event of this magnitude is definitely step forward to gain momentum for the revival of both domestic and international travellers. As a Supporting Partner ADTOI is always committed to the success of SATTE ensuring greater participation in the mega event by its members on PAN India basis. The organisers had taken utmost care in following all the safety protocols as per the Government guidelines last year during event and it will definitely create greater confidence among the stakeholders to travel and reconnect with trade partners during the show to bridge the gap in business and bring it to pre-COVID level.

I on behalf of ADTOI wish Informa Markets for a grand opening of SATTE 2022 and its greater success this year.

Description - The Au Revoir Wellness Resort is a well-hidden getaway from the touristy trails of God's Own Country, yet easily accessible. With misty and often cloud-shrouded evergreen mountains in the foreground standing sentinel over a majestic lake with high-rising reserve forests in the background, the setting here is picture-perfect! Situated about 15 kilometers from Palakkad city off the ring-road along the Malampuzha Dam (the largest reservoir in Kerala), the drive to Au Revoir is breathtakingly beautiful and getting there is half the fun. Situated a few kilometers away from the often crowded environs of the dam with its amusement.
